Subject: New Value Advantage® Glass Cleaner and Brake Parts Cleaners: New formulas, same performance, better cost

Value Advantage® introduces two key launches in maintenance chemicals: **Glass Cleaner**, with an improved formula for fast, streak-free cleaning, and the line of **Brake Parts Cleaners**, designed for deep cleaning of brake components with VOC options to meet regulations in all states.

Available on November 3rd.

Value Advantage Glass Cleaner

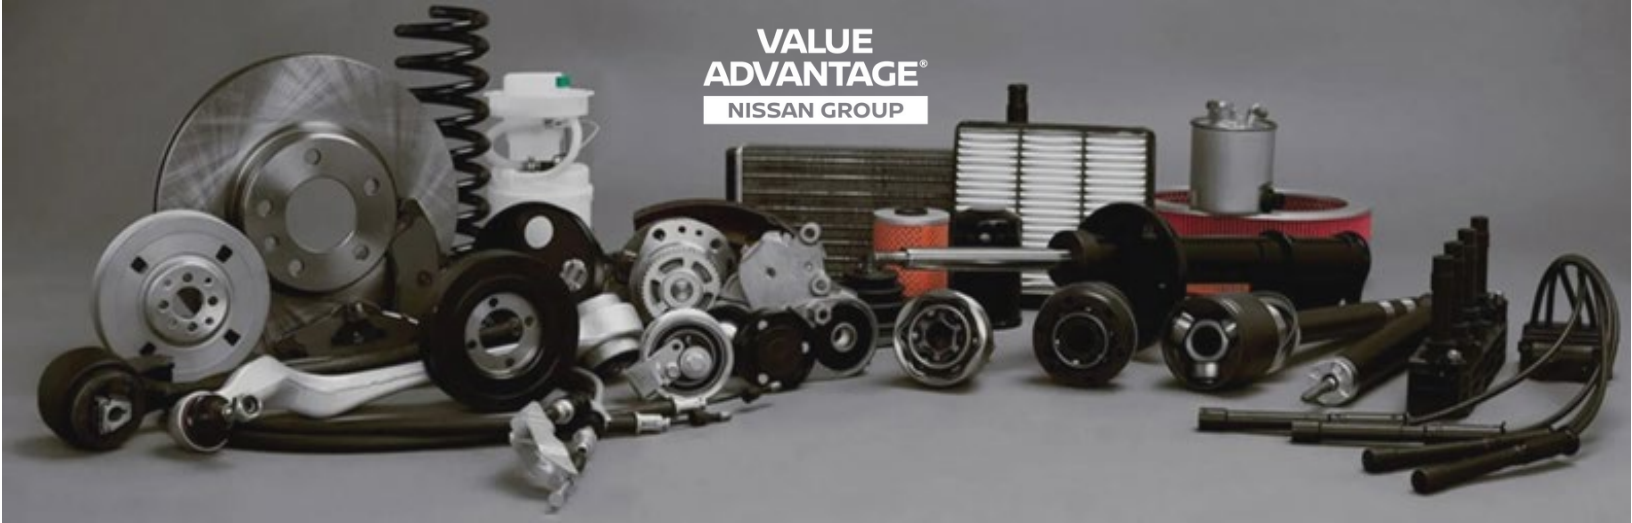

The new Value Advantage® Glass Cleaner offers an improved formula that cleans and polishes any glass surface quickly, leaving no streaks or residue, and providing a fresh scent. Its easy-to-use aerosol spray removes fingerprints, dust, grease, and other common soils, ensuring clear visibility and a professional finish every time.
