# Preventive Maintenance with VALUE ADVANTAGE® Filters

We help your vehicle's performance with regular maintenance

Optimal performance and fit with parts tested by INFINITI engineers

Discover the features and benefits of replacing used filters with our filter categories

### In Cabin Filters

- The standard Cabin Filter dust filtration efficiency is at least 95% compared to that of the genuine INFINITI filters
- Reduces dust buildup helping maintain HVAC system efficiency
- Protection for the A/C and heating system

### Air Filters

- High-quality cellulose fibers for impurity retention
- Minimum 99% efficiency in capturing or retaining contaminants
- Helps prevent damage to internal engine parts
- Regular replacement helps achieve optimal engine

### Oil Filters

- Designed to last 20% longer than standard filters
- Provides continuous protection for your engine, even in demanding conditions
- Retention of contaminants or dirt with a capacity equivalent to that of genuine INFINITI filters
